### 3. OVERVIEW – KEY DEFINITIONS AND EXPLANATIONS FAKALUKUFUA – NGAahi FAKA’UHINGA LEA

<p>(a) <b>Similar role</b> - literally means an equivalent position or role within or another Ministry. For instance, an Accountant in the Ministry of Finance applying to a Senior Accountant role in the Ministry of Health.</p> <p>The Accountant role is the next logical step of the Senior Accountant role and this fits the definition of the <b>similar role</b> stated here. This simply requires a person that has a <b>similar role</b> such as an Accountant that qualifies the candidate to the Senior Accountant role.</p> <p>Another example for further clarification, a Clerk can become an Administrator as the roles are similar in nature and the key job competencies are quite closely related. Sometimes the title of the role might not be the same as in the case of a Finance Clerk and an Account Clerk, however, the responsibility of either a Finance or Accounting role will be very similar.</p> <p>This might not be the case of nurse relating to a role in Finance, Accounting, or even Human Resource Management. The specified fields are different. For instance, a driver cannot apply for a clerical role as the skill sets are not related. On the other hand, a clerk can only apply for a finance officer role, if the nature of the clerical role involves Financial duties, which one can demonstrate the know-how and understanding of financial experience.</p>	<p>(a) <b>Lakanga tatau</b> - ‘Oku ‘uhinga ‘eni ki he ngaahi lakanga ‘oku natula tatau ‘i ha potungāue. For instance, if you are applying for an Accounting role - your previous accounting experience will be relevant.</p> <p>This could mean a role with transferable skills and experience, for instance, how long it takes for the candidate to be fully competent on the post. There are some roles that are on the job training for a couple of weeks and some jobs such as human resource management officers may involve a relevant qualification together with</p>	<p>(b) Ta’u <b>ngāue felāve’i</b> - Ko e taukei ngāué kuo pau ke felāve’i pe kaungatonu ki he lakanga ‘oku tohi kiai e tokotaha.
